

## Design a Bookmark Competition

You are designing the front of the bookmark. Your design can be horizontal or vertical. The Crunch&Sip® logo will feature on the back.

Design a bookmark to help us promote eating a variety of vegetables and fruits and drinking water every day.

### Things to remember

- Promote crunching on a colourful selection of vegetables for Crunch&Sip®. Remember to reach for water too!
- Add lots of colours by including a rainbow of vegetables in your design.
- Use any form of print media to illustrate including drawing or digital designs.

### Winning Categories

- Veggie Vibes Award
- Peoples Choice Award
- Most Creative Award

The winning students will have their bookmark printed for the whole school to use during Book Week (and beyond)!
