

THE GREAT CARNIVAL CRUNCH

Our school is taking part in The Great Carnival Crunch, joining together to fuel up for carnival day, cross country or any other sporting event and simultaneously crunch on fresh veggies! The Great Carnival Crunch encourages children to celebrate veggies in a way that is fun, full of hype and super entertaining!

Please ensure your child brings some fresh, washed vegetables to crunch on such as carrots, sugar snap peas, capsicum, celery or cucumber.

Parents are very welcome to join in!
